Exhibitor Services Manual
SHOW DETAILS & CONTACTS

Exhibition:
Interspeech 2018
2 – 6 September 2018, Hyderabad
Theme: Speech Research for Emerging Markets in Multilingual Societies

Venue:
Interspeech 2018 will be held during September 2-6, 2018 in Hyderabad, the capital city of the newly formed state of Telangana in India. The venue of Interspeech 2018 is the Hyderabad International Convention Centre (HICC), a state-of-the-art facility with the capacity to host conferences with over 5000 delegates. The Interspeech 2018 exhibition area is located in the ground floor of HICC, in halls 4, 5 and 6 merged together and measuring 32,000 sq. ft. The exhibition area is strategically interspersed with poster session boards, coffee stations and lunch counters to ensure good integration between exhibits and scientific content. This puts your company right in the middle of the vibrant scientific dialogue.

Conference Venue Visiting Address:

- If you wish to rent any additional furniture/accessories, please contact our Exhibition representative from KW Conferences Pvt Ltd at eknath@kwconferences.com
RULES & REGULATIONS

The rules and regulations governing Interspeech 2018 Conference cum Exhibition are an integral part of the contract for exhibit space and have been established for the protection of everyone. The overriding principle contained in these Exhibit Rules and Regulations is equality for all.

Exhibits installed at Interspeech 2018 Conference cum Exhibition must comply with the rules and regulations of the exhibition. In the event that an exhibitor or exhibit activity are in violation of the exhibition rules and regulations or are not consistent with the standards of the exhibition, Organizers may require the exhibitor to alter the exhibit either before the exhibition or on-site. Necessary changes are to be made at the exhibitor’s expense and are subject to approval.

All exhibition matters and questions not covered by these rules and regulations are subject to the decision of Organizers. These rules and regulations may be amended at any time by Organizers. The original rules and regulations, as well as any amendment to the original rules and regulations, shall be equally binding to all parties. In the event of any amendment or addition to these rules and regulations, written notice will be given by Organizers.

AISLES
Displays must be confined to within the exhibitor’s booth and must not be designed to obstruct the clear view of other booths or interfere with the flow of traffic - example: video monitor(s) should be placed where visitors viewing the monitor(s) do not block the aisle.

BACKWALL
All booth configurations will be separated by a 2.5 meters/8 foot high back wall, spanning the length of the back wall. Exhibitors intending to build a back wall, must provide a full back wall, minimum 2.5 meters/8 feet in height. All exposed walls (back and/or side) must be finished on all sides at the expense of the exhibitor who owns the wall. All exposed wall areas or exposed structures must be finished in a neutral color that compliments your booth and must not contain any company identification.

BACK WALL CLEARANCE
All booth configurations (except for island configurations) have a mandatory 0.3048 meter/1 foot clearance on the back wall. The fire marshal requires that this area be kept clear at all times. Each exhibitor (except for island configurations) MUST allow 9 inches of space behind their booth boundary line when setting up their exhibit back wall (or sidewall for block configurations). This clearance is for access to electrical and utility outlets between the abutting back walls.

As per regulations, absolutely no other items may be stored behind the back wall at any time (including product, literature, empty crates and packing materials). Organizers will remove any storage material at the exhibitor’s expense. Labels (blank stickers) to mark your boxes or cartons for storage by KW Conferences during the exhibition days are available at the Exhibitor Service Centre. KW Conferences also provides accessible storage during show hours on payment.

BADGE CONTROL
Anyone entering the show floor must wear a badge at all times. False certification of an individual as an exhibitor’s representative, misuse of an exhibitor’s badge, or any other method or device used to assist unauthorized personnel to gain admittance to the exhibit floor, will be just cause for expelling the exhibitor and their representative from the exhibition, and/or banning them from future entrance onto the exhibit floor. This may also lead to removal of the exhibitor’s booth from the floor without obligation on the part of Organizers for refund of any fees. The exhibitor, their employees and agents, and anyone claiming to be on the exhibit floor through the exhibitor, waives any rights or claims for damages arising from enforcement of this rule.

BALLOONS/BLIMPS
Balloons and blimps are not allowed in the exhibition hall.

BOOTH DESIGN/DECORATION
Booth designs may not incorporate long runs of solid walling over 5m. At least 50% of each frontage must remain open or be fitted with an approved transparent material.

Painting of any part of your booth must be done using water-based paints only.
Timber less than 25mm thick, used in booth construction and displays, must be impregnated to Class 1 Standard. Boards, plywood, chipboard, etc must be treated in the same way if less than 20mm thick. Timber over 25mm thickness need not be treated.

Organizers has the authority to determine whether placement, arrangement and appearance of all items displayed by the exhibitor are in compliance with the exhibition Rules & Regulations. This may require the replacement, rearrangement or redecoration of any item or of any booth. Organizer is not liable for any cost that may be incurred by the exhibitor.

Please contact S. Eknath Reddy (email: eknath@kwconferences.com +91 40 65987803) with any questions or concerns regarding general booth design or the rules and regulations listed in this section.

If you would like to submit your booth drawings for an official approval, please email the renderings latest by 14 August 2018 to S. Eknath Reddy (email: eknath@kwconferences.com +91 40 65987803).

CAMERAS/PHOTOGRAPHY/VIDEOTAPE/RECORDING
Organizers will allow cameras on the show floor; although general photographing of the exhibition is not allowed (other than by the official show photographer and official press.) Exhibitors and attendees may take pictures within the show for purposes of company use in annual reports, media pieces, marketing material, etc., but are allowed to photograph their booth ONLY. Under no circumstances will anyone be permitted to take pictures of an exhibitor's product without the permission of the exhibitor.

CATERING
Dispensing of food and beverage is allowed from the booth for hospitality purposes. Please note that catering is an exclusive service of the facility, and exhibitors must arrange for ALL of their catering (including press conferences, meeting rooms and exhibit booths) by the Hyderabad International Convention Centre only.

COMPRESSED AIR
Compressed air is an exclusive service and must be ordered through Hyderabad International Convention Centre.

BOOTH DISMANTLE
Exhibitors are required to maintain their booth and exhibits intact, until the close of the exhibition. On the last exhibition day, “dismantle” procedures will be distributed to each exhibiting company. Each exhibitor will complete arrangements for the removal of exhibit material in accordance with the dismantle procedures. All exhibit materials must be fully dismantled and packed no later than 11 pm on 6 September 2018. Failure to entirely dismantle an exhibit will result in labor and debris removal fees charged to the exhibitor. Exhibitors shall also be liable for all storage and handling charges resulting from failure to remove crated and/or packed materials from the exhibition hall before the conclusion of the dismantling period.

ELECTRICAL WIRING
Use of another exhibitor’s electrical hook-up is strictly forbidden due to potential fire and hazard risks. In the event that the exhibit hall is damaged or destroyed due to negligence or failure on the part of the exhibitor to comply with the local fire agency’s fire and hazard regulations, the exhibitor is responsible and liable for all damages incurred.

FIRE PROTECTION MEASURES / FIREPROOFING
All materials used in the construction and decoration of an exhibit must be flame retardant. No storage of flammable materials is allowed in the utility areas.

GAS CYLINDERS
Gas cylinders are not allowed within the exhibition hall at the Hyderabad International Convention Centre.

GENERAL SECURITY
Each exhibitor must make provisions for the safety of their goods, materials, equipment and displays at all times. General overall security service will be provided for the exhibition period. The security service and/or Organizers are not responsible for the loss or damage of any property from any cause. Private security guards can be ordered through KW Conferences.
HALL ACCESS RESTRICTIONS
Preparation time for the exhibition day starts at 8.00 am every day. Access to the overnight storage rooms for exhibitors is granted by volunteer staff and the exhibition chair for booth representatives with exhibitor badges. Please see the conference program on the Interspeech website for the conference schedule after it is finalized. The halls will be cleared of all personnel approximately 30 minutes after the exhibition closes each day. The only exceptions will be with written permission in an “After Hours Pass” that can be obtained from the Organizers on-site.

HEIGHT LIMITS
The maximum height for all configurations, including all booth elements such as truss and signage, is 12 feet subject to prior approval from the Organizers.

Machinery, equipment, or products cannot be shown on a raised/built-up platform or counter if they interfere with height limitations.

INSURANCE
Exhibitors are requested to take necessary Insurance cover for their products for public liability and loss or damage to goods while on display at their stand. The organisers must be indemnified in case of any loss or damage during the display at the Exhibition.

LIGHTING
Overstatement in lighting design is to be avoided. Annoying devices such as the use of flashing, rotating, or blinking lights (strobe, beacons, etc.) in an exhibit is strictly prohibited. All lighting effects (including ‘gobos’) must be contained within the boundaries of the booth and may not be projected into the aisles, other exhibits or onto the ceilings around the booth space without prior approval from Show Management. Lighting which is potentially harmful, such as lasers or ultraviolet lighting should comply with facility rules and also be approved by the Organizers.

MERCHANDISE / EQUIPMENT PASS
Any equipment or merchandise that is to be removed from the exhibit hall during show hours (this does not include briefcases or tool boxes) must be accompanied by a Merchandise/Equipment Pass to protect all exhibitors. This pass may be obtained from the HICC Security.

OUTSIDE PROMOTION
Exhibitors, by signing exhibit contract, agree to limit distribution of collateral, giveaways, prizes, beverages, etc. to confines of contracted booth area (unless it is approved by Organizers). Distribution of goods or materials, both inside or outside Hyderabad International Convention Centre, is in violation of exhibit rules.

SALE OF GOODS:
No sale of goods is permitted at HICC

VEHICLES
Vehicles are not permitted in exhibit hall areas for purposes of loading and unloading freight. Delivery of any exhibit materials required for the installation and dismantle period must be cleared through the General Services Contractor. The vehicles can be unloaded at the loading docks, located at the rear of Hyderabad International Convention Centre. Labor costs for movement of goods to the exhibitors’ booth are the sole responsibility of the exhibitor.

ORGANIZERS RESERVES THE RIGHT TO PURSUE ANY ACTION IT DEEMS NECESSARY IN THE BEST INTEREST OF THE EXHIBITION AND IN FAIRNESS TO ALL EXHIBITORS.
EXTERNAL VENDOR GUIDELINES

Procedure to enter the convention centre
- Any vendor who is working for an event has to provide a list of people and items to be allowed inside the venue.
