## Call for Papers

Interspeech is the world's largest and most comprehensive conference on the science and technology of spoken language processing. Interspeech conferences emphasize interdisciplinary approaches addressing all aspects of speech science and technology, ranging from basic theories to advanced applications. Contributions to all areas of speech science and technology are welcome. In addition to regular oral and poster sessions, Interspeech 2018 will feature plenary talks by internationally renowned experts, tutorials, special sessions, show & tell sessions, and exhibits. A number of satellite events will also take place around Interspeech 2018.

Original papers are solicited in, but not limited to, the following areas:

1. Speech Perception, Production and Acquisition
2. Phonetics, Phonology, and Prosody
3. Analysis of Paralinguistics in Speech and Language
4. Speaker and Language Identification
5. Analysis of Speech and Audio Signals
6. Speech Coding and Enhancement
7. Speech Synthesis and Spoken Language Generation
8. Speech Recognition – Signal Processing, Acoustic Modeling, Robustness, and Adaptation
9. Speech Recognition – Architecture, Search, and Linguistic Components
10. Speech Recognition – Technologies and Systems for New Applications
11. Spoken Dialog Systems and Analysis of Conversation
12. Spoken Language Processing – Translation, Information Retrieval, Summarization, Resources, and Evaluation

A complete list of the scientific area topics including special sessions will soon be available at:

## Paper Submission

Papers intended for Interspeech 2018 should be up to 4 pages of text. An optional fifth page could be used for references only. Paper submissions must conform to the format defined in the paper preparation guidelines and as detailed in the author's kit on the conference webpage. Please be aware that Interspeech 2018 will use new templates and submissions will be accepted only in the new format. Submissions may also be accompanied by additional files such as multimedia files, to be included on the proceedings' USB drive. Authors must declare that their contributions are original and have not been submitted elsewhere for publication. Papers must be submitted via the online paper submission system. The working language of the conference is English, and papers must be written in English.

We look forward to receiving your submissions and your participation in Interspeech 2018.
